

## General Information

The history of Marmaris, from the mythological ages until today, extends until 3500 B.C. One of the paradise corners of Muğla, Marmaris contains all the tones of the blue and green in a whole whole.

Marmaris has a Mediterranean climate, so it is possible to enter the sea in the winters. Apart from highway transportation, it is in a region where you can easily reach the world from Dalaman Airport and Rhodes Ferries.

Marmaris has been an important center for centuries with its history, attractions, natural beauties.
